

European Federation of Chemical Engineering

11th PhD Student Workshop on Polymer Reaction Engineering

from September 8th – September 10th, 2023

in Potsdam, Germany

organized by the

Working Party on Polymer Reaction Engineering

..... Registration fee: 100 € for PhD students

Dear Industry Representatives,
dear Professors and PhD Students,

we are happy to announce the meanwhile 11th PhD Student Workshop on Polymer Reaction Engineering and invite you to join us in Potsdam (Germany). The workshop is going to be held from **September 8th to September 10th 2023** in Potsdam as a direct follow-up event to the 14th International Workshop on Polymer Reaction Engineering (<https://dechema.de/en/PRE2023.html>).

This PhD Student Workshop was created to give motivated students the chance to present their latest research to a professional audience from the field of polymer reaction engineering. At the same time new contacts to fellow PhD-students as well as industry representatives from interesting companies can be established.

We are looking forward to welcoming you in Potsdam,

The Organizing Committee
