The European Federation of Chemical Engineering (EFCE) is pleased to announce the biennial **Excellence Award in Chemical Reaction Engineering** in acknowledgment of an outstanding PhD thesis in the field of chemical reaction engineering.

The award winner will receive a certificate, a cash prize of 1500 Euros, a travel grant of up to 500 Euros and fee waiver to attend the conference where the award ceremony will take place. The first EFCE Excellence Award in Chemical Reaction Engineering will be presented at a special session of ECCE-7 – CHISA 2010\* to be held in Prague, CZ, from 29 August to 2 September 2010. The winner will be invited to give a presentation following the award ceremony.

Nominations may be submitted by any PhD supervisor at a university or PhD-awarding institution in an EFCE member country. The PhD thesis nominated must address a topic relevant to the field of chemical reaction engineering. PhD theses defended and published between 1 January 2008 and 31 December 2009 may be proposed for evaluation.

Closing date for nominations: **1 March 2010**.

Further information about the nomination procedure, eligibility, supporting documentation, etc. can be obtained from the EFCE website at <http://www.efce.info/ExcellenceAwardCRS.html>.
